

MATT Line TouchTone & Voice Teller Menu

Some options require the 2-digit sub account number When selecting another account, you must have the account number and PIN for that account

MATT Line TouchTone & Voice Teller provides automated telephone access to your account.

- Fast, Easy & Convenient: verify account balances, transfer funds, initiate a line of credit, balance your checkbook, make loan payments.
- Initially you will be connected to the Top Menu. Press or say the number of the menu or feature you want to use and continue from there.
