Opt-In / Opt Out / Info Request

Federal regulations now require all members who are currently receiving benefit and all members who wish to receive the benefit of our Member Courtesy Program must now notify the credit union they wish to continue with the program. You have until June 30, 2010 to contact Eaton Family Credit Union to let us know you want to continue with the program.

Remember, there is no charge to be a part of the Member Courtesy Program and you are only charged when your account goes negative. If you are taking part in the program, your Point-Of Sale transactions, ACH and ATM transactions along with your Share Drafts that take your account negative up to \$400 including the fees will be honored. There is a \$25.00 fee per transaction. We offer this service to save you the embarrassment and added expense of a returned check or uncompleted transaction.
