AMERICA SAVES WEEK

America Saves Week
is February 27 — March 3

Join us by setting a personal savings goal, making a savings plan
and saving automatically. Plus, this year, Members have two exciting
contests to energize their savings efforts!

Take the America Saves Pledge!

Saving money, improving your financial life, building wealth. It all starts when you set a goal and make a plan to reach that goal. After all, those with a savings plan are twice as likely to save successfully.

It all starts when you make a commitment to yourself to save. Let America Saves help! Take the first step today and take the America Saves pledge to save money, reduce debt and build wealth over time. America Saves will keep you motivated with information, tips and reminders to help you reach your savings goal. Think of them as your own personal support system.

Learn more and take the pledge at <http://americasavesweek.org>

#IMSAVINGFOR Contest

Take the first step in your savings journey today! Identify your savings goal - or inspire others to save by sharing your savings story - by entering the America Saves #ImSavingFor Video and Photo Contest.

Go to <https://americasavesweek.org/imsavingfor/> Submit a photo showcasing your savings goal or a video answering at least one of these questions:

- ▶ What are you saving for?
- ▶ What is your savings story and how can it help other people?
- ▶ What is your favorite savings tip or trick?

By making a submission, you'll be entered for a chance to win the grand prize of \$1,000. If you pledge to save money and create a simple savings plan, you'll receive bonus entries.

For more information and contest rules visit <https://americasavesweek.org/imsavingfor/>
