30,001 REASONS TO SAVE YOUR REFUND

For the last several months, Members have been taking advantage of the rising rates on our Money Market Savings Accounts and CDs. Higher rates mean better returns on your money.

We've even encouraged Members to shop around for the best CD rate available, document the offer and bring us what you find for us to match.

The good news?

We want your deposit so we're extending the CD special into February.* Call 216-920-2000 to speak with a Member Service Representative for details.

The great news?

By saving as little as \$50 in a CD or Money Market Savings Account, Members can qualify for a chance to win a piece of \$30,000 in prize money from the SaveYourRefund promotion.* 2 lucky winners will get \$10,000 in cash to boost them toward their savings goal. 100 prizes of \$100 each also will be awarded to lucky participants.

Split

Use Form 8888 when you file your taxes to split your refund into two parts, one for spending, one for savings.

Save

Save as little as \$50 of that split into a savings account, certificate of deposit, IRA, prepaid card, savings bond, or Treasury Direct account.

Win

Enter to win a \$100 prize by giving us your savings information, and enter a contest for the grand prize by submitting a photo of your savings goal or motivation.

Learn more about the SaveYourRefund 2019 promotion and register at www.saveyourrefund.com

STILL NEED MORE INCENTIVE TO SAVE?

What are you saving for?

What is your savings story and how can it help other people?
