EQUAL OPPORTUNITY LENDER

Spring is here!

Start an overdue remodeling project, spruce up your yard or splurge on something special using the equity in your home.

Apply today for a Home Equity Line of Credit or a Home Equity Loan!*

Both allow you to borrow up to 80% of your home's value and have a few key differences.

Home Equity Lines of Credit (HELOC) work like a credit card: borrow up to a certain amount for the life of the loan and as you pay off the principal, your credit revolves and you can use it again.

Some highlights of a HELOC:

- ▶ A promotional rate of 3.25% for the first 6 months. Thereafter, variable rates are as low as 4.75%.
- ▶ Draw periods for up to 5 years.
- ▶ No application fee, closing costs or annual fees!

Want a longer term and fixed rates?

Consider a Home Equity Loan.

A Home Equity Loan provides an initial lump sum and offers a fixed interest rate. The repayment term is up to 15 years and the payment is the same each month.

Some highlights of a Home Equity Loan are:

- ▶ Low fixed rates of 5.75% if the Member pays closing costs
- ▶ Low fixed rates of 6.75% if closing costs are rolled into the loan

For more information, call 216-920-2000 to speak with a Loan Officer.

* Current rates as of April 1, 2018 and are subject to change. Contact us for current rates. Loan is subject to credit approval based on each Member's individual credit quality. Not available in all states.

for up to 12 months with a Summer Loan.***
