Tax Refund Season Is Upon Us

Getting a tax refund and planning to finally buy that new vehicle?

Before you go shopping, get pre-qualified for an auto loan by calling the Credit Union. Not only can it help to get you the best loan rate, getting pre-qualified provides peace of mind and leverage at the dealership by helping to:

- Set a realistic budget for your purchase which shows how much you can borrow and what your loan terms might be.
- Protect you from a dealership's finance manager who tries to mark up your interest rate. Even 1 or 2 percent more can add up to hundreds of dollars over the life of your loan.
- Show you're a serious buyer and position you as a "cash buyer" with a stronger negotiating position.
